CIRCULAR No. 641

Sub: Award of work.

During the 17th WAB (2009) meeting held on 13.10.2009, a doubt was raised by the Chief Engineer that whether tender having estimated cost of more than acceptance power of CE i.e., Rs.4.00 Crores prevailing as on date, but it's tendered amount is within the acceptance power, can be accepted by the Chief Engineer or not.

After due discussions and deliberations, it was clarified that the tendered amount of the work shall be the criteria for exercise of delegated power to accept the tender. Accordingly, Chief Engineer can accept the tenders in such cases after observing all other codal formalities and regulations. Similar condition will apply for exercise of delegated powers by SEs & EEs also.

This issues with the approval of Works Advisory Board.
