

PUBLIC NOTICE

OFFER OF DDA COMMUNITY HALLS AND VACANT LAND FOR COVID MITIGATION PURPOSES

(A) Delhi Development Authority (DDA) is managing Community Halls (along with open spaces adjoining Community Halls), which are normally available to public for marriage / social functions.

With a view to support organisations / RWA to manage / combat COVID pandemic in the City, DDA proposes to offer such Community Halls on license basis, for a maximum period of six months, to be utilized for COVID management infrastructure.

The List of Community Halls on offer, and terms and conditions for allotment including License Fee etc. are available on DDA website.

Interested Organisations, RWAs etc. willing to take DDA Community Halls on License for setting up COVID related facilities may apply in prescribed format (available on DDA website), along with the Security, to the concerned SE(HQ) of the Zone in which the said Community Hall falls.

(B) DDA is also considering proposals for Allotment of vacant Land on temporary License basis (max. 6 months) to Hospitals / Charitable institutions for establishment of additional COVID facilities / Oxygen Plants and other ancillary facilities for combating COVID pandemic.

The Policy for such allotment on temporary basis, terms and conditions of allotment, prescribed format for application including the License Fee etc. are available on DDA website.

Hospitals / Charitable institutions seeking allotment of DDA and vacant land in vicinity on temporary basis may apply to the concerned SE(HQ) of the Zone in which the said Land falls.

The allotment of Community Hall / Land shall, as far as possible, be made on First Come First Serve basis, subject to priorities detailed in the policy. DDA may verify genuineness of the applicant / purpose sought, before permitting the license.
